Gloria Moran  
Assistant Regional Counsel (6RC-S)  
Superfund Branch  
U.S. Environmental Protection Agency, Region 6 1445 Ross Avenue Dallas, Texas 75202

Dear Ms. Moran,

Please refer to your letter of March 25, 2014 to my father Bud Grisham with copies to McKesson attorney John Edgcomb and myself and to your email of December 9, 2013 to John Edgcomb with the subject line "Arkwood Site - FOIA Charges - Interim Response" (facsimiles attached.)

In the former communication, you state to my father:

"The EPA cannot consider your son to be a 'member of the public' with regard to matters involving the Arkwood site."

In the latter communication, you state to Mr. Edgcomb:

"Charges related to search and review for FOIA requests for Arkwood site documents or any other Superfund site documents are sought from the requester."

I demand to know if EPA, in light of its finding that I am not a member of the public, intends to seek from me or any member of my family "charges related to search and review for FOIA requests" that I have made to date.

If EPA does contemplate ever charging me or my family with those costs, please supply me with an accounting of those costs to date immediately.

Sincerely,

Charles Grisham, Jr.
